*Our club was formed in 2011 and was designated a Chartered Club.*

*In late 2014 the club requested the Board approve funding for our building.*

*Phase II was completed in 2019 at a cost of \$399,410 which brought the total expense for the building to \$1,298,346.*

*With our payment of \$50,000, the club has now paid a total of \$973,936 and has a remaining balance of \$324,410.*
